"Infectious, witty and prescient, Kimberlie Dykeman's collection of life lessons motivate and entertain. This should be required reading for anyone desiring to push themselves out of their comfort zone and live a larger, more compelling life."

--- Martin Dugard, Acclaimed journalist and New York Times bestselling author of *The Last Voyage of Columbus* and *Chasing Lance: The 2005 Tour de France and Lance Armstrong's Ride of a Lifetime*

"The witty little pills in *Pure Soapbox* make for perfect encouragement when you're going strong and refreshing laughter when you get off track. Flip to any page and take in two or three right now. It will only take a minute (though you'll want to spend hours and hours rereading and retelling them later)."

---Keith Ferrazzi, New York Times bestselling author of the inspirational classic *NEVER EAT ALONE: And Other Secrets to Success, One Relationship at a Time*

"Like an espresso shot for your heart, each page is warm, full of flavor and bound to get you on your feet... Take some timeless wisdom, mix in some modern meditations, add a heavy pinch of humor and you've got Kimberlie Dykeman's *Pure Soapbox*. She draws upon influences stretching from John Quincy Adams to Aerosmith and always manages to convey rich life lessons with warmth, wit, and, most importantly, passion. Prepare to laugh, prepare to think, and prepare to be more and more excited about your life."

--- Owen Egerton, acclaimed triple-threat, comic, musician and author of *How Best to Avoid Dying* and *Marshall Hollenzer is Driving*.

"*Pure Soapbox* by Kimberlie Dykeman is a must read for everyone wanting to enjoy life to its fullest. Her thought provoking, yet humorous, comments on a wide variety of sayings ranging from Anonymous to Ralph Waldo Emerson and Mark Twain to John Lennon and Steven Tyler offer an insightful guide to living life to the max. You'll find her advice on the mark. Her rapid fire delivery makes for an easy read in one night, but you'll find yourself re-reading these gems of wisdom accompanied, as Dykeman says, with the nod and an a-ha of understanding."

--- Bob Davis, *San Antonio Publications*/Book Reviewer

"In *Pure Soapbox*, God shines the light of his love, encouragement and wisdom through Kimberlie ... pointing the way to the abundant life He has planned for all of us."
